Lifting clamps

Slab handle

Manual clamp for slabs and concrete tiles

Manual clamp for lifting regular concrete slabs and natural stones. The clamp features multiple adjustments to accommodate various sizes of artifacts, a robust design, and an easy, secure grip. All our clamps are built and tested according to UNI EN 13155, UNI EN ISO 12100, UNI EN 13854, ISO 8686, and UNI EN 10204 standards and come with the appropriate label, certificate of conformity, and user and maintenance manual. All our products are covered by a one-year warranty (European Directive).
