DATA SHEET - CLAMP CORNERS

Lifting clamps

Clamp corners

Profile holding clamp

This clamp is specially designed to secure door and window frames, offering a versatile and secure solution. Equipped with round rubber pads and an extendable spring, it ensures a secure grip and easily adapts to various wall thicknesses. All our clamps are built and tested according to UNI EN 13155, UNI EN ISO 12100, UNI EN 13854, ISO 8686, and UNI EN 10204 standards, and come with the appropriate label, certificate of conformity, and user manual. All our products are covered by a one-year warranty (European Directive).
